Interns are also assigned a project during the 200 hours. Upon internship completion, interns are required to complete a reflection paper (3-5 pages, double-spaced, 12 pt. font) which describes, in detail, their internship experience. The reflection paper must be completed within three weeks of completing their 200 hours. Interns will be encouraged to keep a daily journal of activities to aid in the evaluation process and with their reflection paper. Interns will be compensated at the current minimum wage for their time.
